CUSTOM MEAL PLAN

Start date and delivery or pickup selection is at CHECK OUT (I HAVE SPENT TIMES NOW, STILL NOT FIXED) not when adding items to cart. Start days should be only on Mondays, other dates should be graded out. Only Mondays from current date should be able to select. THESE TWO SELECTIONS SHOULD BE REMOVED FROM HERE. THIS SHOULD BE SPECIFIED WHEN CLIENT CHECKS OUT. START DATE & DELIVERY OPTION is selected PER ORDER NOT per item/product added to cart. I hope this is more clear.

The screenshot shows a checkout interface for a custom meal plan. On the left, there's a summary section with 'Final total f1,931.00' and an 'ADD TO CART' button. The main area is divided into two sections: '*SELECT DELIVERY' and '*CHOOSE START DATE'. The '*SELECT DELIVERY' section has two options: 'HOME DELIVERY f10.00' (selected) and 'PICKUP f20.00'. The '*CHOOSE START DATE' section shows a calendar for August 2018, with the date '30/07/2018' selected. A red box highlights the delivery and start date sections. A green box highlights the product list on the right, which includes '6 BARS VEGAN f4.00', '6 BARS PROTEIN f6.00' (checked), and '6 COOKIES VEGAN f18.00'. A green arrow points from the product list to the delivery and start date sections. A text box explains: 'AFTER this step the option should be 'ADD TO CART' and then the following steps (pickup/delivery etc.) because this is also general for all other orders, not only the custom order.' Below the delivery and start date sections, there's a yellow box with text: 'THIS PART IS TO SPECIFIED AFTER the order is added to the cart. Where shipping etc is specified (next step)'. Below that, it says 'Pickup = FREE' and 'Delivery = ANG 5,-'. At the bottom, a red arrow points to a red box with the text 'WHY IS THERE A PRICE AT START DATE?'.

Pickup = FREE

Delivery = ANG 5,-

WHY IS THERE A PRICE AT START DATE?

THIS WAS MY FEEDBACK PREVIOUSLY, BUT NOTHING HAS BEEN CHANGED.

Only MONDAY'S need to be available to select (all other dates, especially past dates, should be graded out. I.e. not able to select).
